Jeff  
Caldwell  
a standup guy

THE  
RIGHT  
TALENT  
*is key*

**Jeff Caldwell** is a favored performer, host, and keynote speaker to **Fortune 500** companies and fundraising organizations, having worked for such groups as **Discovery Channel, Toyota, Symantec, The Smithsonian Institute, and Samsung** to name a few.

His hilariously cerebral comedy style is particularly favored by executives looking to energize audiences and keep a sophisticated, professional tone. A former **civil engineer** from **Johns Hopkins University**, Jeff is especially appealing to scientific, technological, environmental, and medical groups.

Jeff was tapped by **CBS** to develop his own sitcom and is a house favorite with multiple appearances on The Late Show with **David Letterman**, The Late Late Show with **Craig Ferguson** and the debut episode of **Comedy Central's** Live at Gotham.

His sharp innovative humor has won him sought-after guest spots on **MSNBC** and **CNBC** talk shows and tour performances with **Jon Stewart**.
